RE: MTC TIP Revision No. 2013-03 – Administrative Modification

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2013 Federal Transportation Improvement Program (TIP). TIP Revision No. 2013-03 revises 87 projects with a net increase in funding of \$36 million. Among other changes this revision:

- Updates the funding plans of 27 STP/CMAQ funded projects to reflect the latest programming decisions;
- Updates the funding plans of 27 FTA funded projects to reflect programming changes made through the Transit Capital Priorities program;
- Updates the funding plan of MTC's Freeway Performance Initiative project (REG090003) to add \$2 million in FHWA Highway for Life grant funds and to reflect other programming changes; and
- Updates the funding plans and back-up listings of four Caltrans managed grouped listings (VAR110004, VAR110012, VAR110031, and VAR110042) and one other grouped listing (REG110041) and updates the back-up listing only for one additional grouped listing (REG110032) to reflect the latest programming information.

The administrative modification is financially constrained by year and MTC relies on the State's programming capacity in the amount of \$181,000 in FTA 5311(f) funds, \$12.8 million in SHOPP funds, \$2 million in FHWA Highway for Life grant funds, \$7.1 million in State STP funds, \$2.4 million in HPP funds, \$10,979 in Non-Motorized Transportation Pilot Program funds and \$333,700 in Transportation, Community, and System Preservation funds. MTC will update the financial plan to reflect the additional revenues with the next amendment.

The TIP revision entries have been emailed to your staff. MTC's 2013 TIP, as revised with Revision No. 2013-03, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in SIP.

The projects that are included in this administrative modification are not included in any other amendment that is open for public review. MTC's 2013 TIP, including the proposed Revision No. 2013-03, is consistent with metropolitan transportation planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC's Regional Transportation Plan (Plan Bay Area).

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Program (FSTIP). This revision is consistent with the approved Administrative Modifications/ Amendments Guidelines and Procedures.

If you have any questions regarding this revision, please contact Sri Srinivasan of my staff at (510) 817-5793 or Adam Crenshaw at (510) 817-5794.

Sincerely,

Ann Flemer  
Deputy Executive Director, Policy
